DAILY BLOOD SUGAR CONTROL REMEDY

White Mulberry Nx™

THE ORIGINAL  **IMINOSOL**
Mulberry Leaf Extract

IMINOSOL® is known as 'THE ORIGINAL WHITE MULBERRY EXTRACT' and is derived from from the leaves of an Asian superfruit called White Mulberry. These leaves contain several natural compounds that significantly decrease carbohydrate absorption from food helping prevent diabetes while also fighting high cholesterol and preventing heart disease. *In a published, double blind, placebo-controlled clinical trial, subjects that took IMINOSOL before or with their food had significantly lower blood sugar levels for up to 3 hours after eating. This benefit is critical for anyone trying to lose weight, prevent diabetes, reduce bad cholesterol levels and prevent heart disease.

ACCEPT NO SUBSTITUTE. Iminosol is the only material proven to decrease carb absorption in the research proven dose.

White Mulberry Nx™ BENEFITS

- 1 Reduces carbohydrate absorption and insulin rises following a meal
- 2 Provides key antioxidants that prevent oxidation of bad Cholesterol (LDL)
- 3 Helps reduce your risk of cardiovascular disease and stroke
- 4 White Mulberry Nx™ is made with only proven material Iminosol in the scientifically proven dose. Unlike other cheaper substitutes you know it works!

"White Mulberry will change a lot of people's lives and stops diabetes before it starts"
